

MOUGINS SCHOOL

Guide Dogs for the Blind

Having organized a Walkathon for fifteen years to raise money for Guide Dogs for the Blind, Mougins School has decided to go one step further and endeavour to raise enough to purchase a dog and pay for its training. The cost is 16,000€ so the challenge is a big one.

Our first event is on Saturday 4th April from 10h00 to 15h00. This event is a 'walk in the woods' with or without pet dogs. Participants pay 10€ or more at their discretion, they can also get sponsoring to raise even more money.

Refreshments will be available. Children's art work will be on sale. Raffle. Free dog biscuits available for our four legged friends. The more participants, the more money we will raise so please join us for a breath of fresh air and a good cause.

More events will be organized in School throughout the year but this one is open to the public and your support will be welcomed.
